

Dear Parent(s),

This letter is to inform you that all students entering the 12<sup>th</sup> grade will need two doses of Meningococcal (MCV4) vaccine prior to entry. If the first dose of MCV4 is administered on or after the 16<sup>th</sup> birthday, a second dose is not required. These immunizations are new this school year and required by Law under the Ohio Revised Code section 3313.67 and 3313.671 for school attendance. These immunizations can be done by your family physician or at the Logan County Health District. The Logan County Health District will be holding a special clinic on Tuesday May 24<sup>th</sup> from 4:00pm – 6:00pm, please see flier below. The Logan County Health district also holds immunization clinics every Thursday from 9:00am – 11:00am, and the first Thursday of each month from 2:00pm -6:00pm. You may call (937) 651-6186 for an appointment. Please make sure that these are completed **PRIOR to The First Day of School, August 17, 2016** and a copy is on file with your student's school. If you have any questions please contact Katie Buffkin District Nurse at (937) 593-0545.

Thank you for your cooperation,

Katie Buffkin RN/MSN/NCSN  
District Nurse
