CHIEFTAIN PRIDE

On behalf of the Bellefontaine High School Staff, we warmly welcome all students and our families to Bellefontaine High School for 2020-2021. BHS is committed to providing a school experience that encourages all students to become strong citizens through pursuit of academic learning, community engagement, and personal growth. BHS provides an exceptional academic program balanced with quality systems of student support and extracurricular opportunities. We encourage students to use this planner to help organize the school year and plan for success.

Our personal message for all students for 2020-2021 includes the following reminders:

- * Have grit. Don't be afraid to put yourself out there—try out for a sport, an academic team, or another extracurricular program. All students should consider joining at least one school club. And make sure to maintain your current friendships and develop new, healthy friendships.
- * Stay focused on learning, stay focused on learning, stay focused on learning.
- * Be resilient. If you experience a setback, acknowledge it, but move forward knowing that every day is a new day and a new opportunity.
- * If you need help, reach out to your family members, teachers, counselors, friends, or the principals. High school does not mean you have to do everything on your own. The goal of high school is not to teach you to be dependent or to force you to be independent; it is to help you become interdependent within a community.
- * Take care of yourself every day by making healthy choices. Remember: You always have the choice to do what is right, and the time to do what is right is always now.
- * Remember to be kind to yourself, to provide service to others, and to be kind to others.

BHS appreciates student and family involvement. To learn more about our programs, explore the BHS website at <http://hs.bellefontaine.k12.oh.us/> and the Student Website: http://hs.bellefontaine.k12.oh.us/for_students.

We wish everyone a great 2020-2021 school year! It's a great day to be a Chief!

With Chieftain Pride,

Dr. Noeth

**CHIEFTAIN PRIDE
DO YOUR BEST
BE YOUR BEST.
EACH AND EVERY DAY!**

“Ten Wise Choices That Will Make Your Daily Life Less Stressful and More Successful”:

- Number One:** Choose integrity. Choose to be honest with yourself and with the people around you.
- Number Two:** Choose to do and be your personal best. By giving each new task your best, you will win self-respect and self-esteem.
- Number Three:** Choose a positive attitude. Life is not about what happens to us, but rather about how we REACT to what happens to us. Learn to see the glass as “half full.”
- Number Four:** Choose self-responsibility. Take responsibility for your own thoughts, words, deeds, choices and actions. Take responsibility for achieving your goals. Take responsibility for your own happiness and for noticing your mistakes and learning from them.
- Number Five:** Choose to be committed. Choose to give 100% in everything you do. Never settle for half-hearted effort.
- Number Six:** Choose to live by the “Golden Rule.” Treat others as you wish to be treated. Never compromise your dignity, honor, or respect.
- Number Seven:** Choose to see the beauty in diversity. Be tolerant and understanding of those who are different from you by race, religion, gender, age, economic status or culture.
- Number Eight:** Choose a gratitude attitude. Be grateful for your blessings: food, shelter, clothing, health, education, Country, family, and friends.
- Number Nine:** Choose to serve. Contribute to the world around you by looking for ways to serve family, friends, school, and community.
- Number Ten:** Choose goals wisely. Pursue each goal every day with measurable outcomes that show your progress.
- To Finish:** Get involved and surround yourself with positive people. Your high school experience depends on your CHOICES, so make the most of your opportunities!

SECTION I: SCHOOL INFORMATION

- A. Accidents and Insurance**-The school is responsible only for immediate first aid. The Board of Education does not pay any medical or hospital bill incurred as a result of an accident to the pupil at school. The parent or guardian is responsible for the payment of such bills. We urge you to avail yourself of the protection afforded through school insurance. You will be given information regarding various insurance plans during the first week of school. In case of an accident, no matter how minor, the student should report that accident to the teacher immediately. In the case of severe accidents or acute illness, emergency care will be given and the parents or guardians will be notified.
- B. Book Bags/Backpacks-Students** may bring book bags/backpacks to school.
- C. Chromebook**- check with tech department
- D.. Cafeteria**-The cafeteria uses point of sales computer systems for breakfast and lunch. Students will need to key in their student numbers to purchase the food. Students may use cash to purchase food, but having money on their student account is preferred. Money in a student's account may not be used for vending machines. If a student is unable to pay for a lunch on a certain day, the district allows the student to have a lunch charge limit of two days.
- E. Clinic**-The school clinic is provided as a first aid room for students who are injured or become ill at school. Students are not to stay in the restrooms when sick. They are to report to the office. If a student becomes ill and wishes to go home, the student must report to the office so that the office may contact the student's parent/guardian and secure permission for that student to leave school. No student may leave the building without permission from someone with authority in the office.
- The school shall directly notify the parents of a student, at least annually at the beginning of the school year, of the specific or approximate dates during the school year when any non-emergency, invasive physical examination or screening is scheduled or expected to be scheduled for students if the examination or screening is: (1) required as a condition of attendance; (2) administered by the school and scheduled by the school in advance; and (3) not necessary to protect the immediate health and safety of a specific student, or other students.
- F. Elevator**-The elevator is limited to handicapped usage. Students temporarily disabled due to injury must obtain office permission to use the elevator. Unauthorized use will result in disciplinary action per the handbook and as deemed appropriate by administration.
- G. Emergency Drills**-Emergency drills are required by state law. Instructions are posted in each room. Drills will be conducted for fire, tornado, & other emergency procedures. Your cooperation is expected and appreciated. Students are to remain quiet and proceed as instructed by faculty.
- H. Free and Reduced Plan**-Free and reduced breakfasts and lunches are available under the National School Lunch Program. Applications are given to students on the first day of school and are to be returned to the BHS Office or the Central Office as soon as possible. If there is a change in the family's financial status during the school year, a student can obtain another application in the main office.
- I. Guidance Department**-All BHS students are assigned to one of three guidance counselors. The counselor will be listed on your class schedule and grade cards. It is very important that you know who your counselor is. BHS strives to serve all students social, emotional, and academic needs in a timely fashion.
- J. Hall Passes**-All students are required to have a hall pass from a staff member in order to be in the hallways.
- K. Home Instruction**-The Board of Education will provide instruction, as appropriate, for students confined to home in accordance with medical documentation. Students must have been absent or must be expected to be absent for at least 15 consecutive school days to be eligible. Parents must pick up the form from the student's counselor.
- L. Instructional Materials**- Parents have the right to inspect upon request any instructional material used as a part of the educational curriculum for their student. This would include the opportunity for parents to review textbooks, reading lists, instructional materials, and academic curriculum used in the district.

M. Homework-Homework is considered an important part of the educational process. It can help students to explore new areas, reinforce established concepts, or practice necessary skills. Homework assignments are designed to be relevant and appropriate for the level of the course. All students are expected to complete their homework and be prepared for class each day. Additional help outside of class will be available. The following are suggestions for students on completing homework:

- Ask questions and take responsibility for your learning
- Record all assignments and due dates
- Take necessary materials home to complete assignments
- Manage time for homework that is free from distractions and compatible with family and/or after school activities
- Complete entire assignments and turn them in on time
- Submit work that is legible, organized, and correct
- Do your own work with minimal help from others
- Take initiative in making up missed work, see your TEACHERS, use A/I time wisely
- Complete long-term assignments in manageable steps

N. Inclement Weather-In times of poor weather conditions, please listen to 98.3 WPKO, 107.3 the Drive, 106.9 the Bull or 1390 WBLL on the radio. An automated phone calling system and posting on the school website and social media pages is also available for weather-related information. Delays or cancellations will be announced as soon as appropriate decisions are made.

O. Lockers-Student's lockers are not assigned but available upon request in the main office. The lockers belong to the school and are provided for your convenience. Students are not to change lockers unless they have permission from administration. All lockers are subject to inspection at any time. Unnecessary damage or defacing of lockers may result in misconduct penalties and/or a fine assessment. Locks issued to students must be returned at the end of the year to the main office. Failure to do so will result in being charged a \$10.00 fee.

P. Lunches- BHS lunches are **CLOSED**. **Students are not permitted to leave.** All students must remain in the cafeteria or gym during their assigned lunch time. Each student is responsible for clearing his/her trash from their table when they are finished eating and disposing of it in the proper way.

Restaurant food is not to be ordered or delivered during school time.

Q. Senior Lunch Policy- Students who have earned Senior status and are in their 4th year of high school are permitted to take part in open lunches on Fridays. These students must sign-out before leaving the cafeteria and then sign-in when re-entering the building. Failure to do so may result in losing this privilege and being issued a tardy to class.

R. Medications and Over the Counter Medicines-Students who must take medication during the school day must have a signed medication form on file in the office. ALL medications require a doctor's signature. This includes **over-the-counter medications** including sinus medications, nasal spray, eye drops, aspirin, cough drops, etc. All medications must be in the original bottle and have the current pharmacy label attached. Parents can request that medication be given outside school hours or may come to school and personally administer the medication to the child. Medication in the wrong hands can be extremely dangerous. Please follow the process above if this situation pertains to your child/children. Students are unable to carry on their person prescription or over the counter medications throughout the school day. **(Board Policy section 5330)** Tylenol is available after 11:00 a.m. to students if the parent permission portion of the Emergency Medical Form has been completed for consent. **(Board Policy section 5771)**

S. Modification to the Student Handbook-As much as possible, this handbook covers most issues of school policy and student conduct.

However, because future events and circumstances cannot always be seen clearly at the time of print, administration reserves the right to establish new policies as new issues occur, with the primary responsibility of a proper educational environment in mind.

T. Restrooms-The restrooms are designed for a specific purpose. They are not lounges and are not to be used for social gatherings. The upstairs restroom is off-limits during the lunch periods except for those in classes upstairs who have signed passes from their teachers to use the restroom.

- U. **Search and Seizure**-School authorities are charged with the responsibility of safeguarding the safety and well-being of the students in their care. In the discharge of that responsibility, school authorities may search the person or property, including vehicles, with or without the student's consent. Camera surveillance is used in the building and on the grounds at all times. (Board Policy section 5771)
- V. **Sign-in/Sign-out Procedures**-Anytime a student enters or leaves BHS, he/she must sign-in/sign-out in the office. Failure to follow this procedure may result in disciplinary action. Early dismissals will not be granted unless the student's parent/guardian has provided the student with a note that is presented to the office prior to the start of the school day or in an emergency, calls the school and requests or verifies the dismissal. Students that enter from/leave to Ohio Hi-Point and Work Study must also follow this procedure every day.
- W. **Student Drivers and Student Parking**-Driving to school and parking on school property is a privilege provided to students by the Board of Education. **Students driving to school must register all vehicles they may drive to school in the office. Payment of \$5.00 for a parking pass (which must be displayed) is also required.** Failure to register may result in disciplinary action and the student's vehicle being towed after the initial warning.
- X. **Telephones**-Telephones are available in the office for use by students before school, at lunch, and after school. Students using the phone any other time must have a pass and permission from the administration or office staff. Students will not be called out of class to use the telephone and messages from parents/guardians can be delivered to a student throughout the day.
- Y. **Visitors**-All visitors must register at the main office and receive a visitor's pass before visiting a student, teacher, the cafeteria, or a classroom. Visitors are considered to be anyone who is not a student or employee of Bellefontaine City Schools. Those who do not register will be asked to leave. Those who refuse to leave or continually reappear will be charged with trespassing. There will be no student visitors allowed in the building at any time.
- Z. **Work Permits**-All students under 18 must have a work permit if they are employed. The forms for the permit may be picked up in the Bellefontaine High School Office or Guidance Office. As per board policy, any student who misses 10 days consecutively or 15 days concurrently per semester may have his/her work permit revoked by the superintendent.

SECTION III: BHS ACADEMIC EXPECTATIONS

A. Academic Assistance-There is a program built into the regular school day to assist students with academic difficulties. This program is called A&I.

1. **A&I**- This scheduled part of the school day, from 10:40-11:00, is an opportunity for extra academic help and a time for our clubs/organizations to meet.
 - a. If a student is issued an A&I Pass by a teacher, it is mandatory for the student to attend on the assigned day.
 - b. If a student is issued multiple A&I Passes for a certain day, it is the student's responsibility to work out the arrangements with the teachers.
 - c. If a student is issued a teacher A&I Pass and the student has a Club/Activity Meeting, the student is required to attend the teacher assigned A&I.
 - d. If a student does not have a teacher issued pass to attend an A&I, but would like to get additional help, the student needs to be in the teachers by 10:45 a.m.

B. Credit Requirements for Grade Promotion

9th Grade/Freshman-A student needs to be promoted from the 8th Grade.

10th Grade/Sophomore-A student needs to earn 6 credits.

11th Grade/Junior-A student needs to earn 13 credits.

12th Grade/Senior-A student needs to earn 19 credits.

C. FinalForms-This online program is used for registration and communication. There is a link on the district webpage to access this site. A login is needed to access the students' information, which can be retrieved from the BHS secretaries.

D. Progress Book-This online program allows students and parent(s)/guardian(s) to access grades throughout the school year to check academic progress as well as homework assignments and class notes. There is a link on the district webpage to access this site. A login is needed to access the students' information, which can be retrieved from the BHS secretaries.

E. Grading and Class Rank-There are three (3) grading periods each semester, resulting in six (6) grading periods during the school year.

1. Grade Point Average (GPA) is computed by dividing the total number of credits attempted into the total number of points (final averages) earned.
2. Those courses taken pass/fail are not included in the GPA.
3. Class Rank and GPA are updated at the end of each semester.
4. Final grades for semester courses are calculated by averaging the GPA equivalent of the three grading periods. Final grades for year-long courses are calculated by averaging the GPA equivalent of all six (6) grading periods. In order to pass a course, a student must earn at least a "D-".
5. Grades are weighted for students taking Advanced Placement (AP) and College Credit Plus (CCP) classes. For each course successfully completed, students will have an additional 0.03125 added to their cumulative Grade Point Average.

F. Grading Scale

Letter Grade	Grade Weight	Percentage
A	4.0	94-100
A-	3.7	90-93
B+	3.3	87-89
B	3.0	83-86
B-	2.7	80-82
C+	2.3	77-79
C	2.0	73-76

C-	1.7	70-72
D+	1.3	67-69
D	1.0	63-66
D-	0.7	60-62
F	0.0	00-59

G. Credit Flex-Credit Flex is a way for students to earn high school credit without traditional seat time. Students can earn credit in one or a combination of the following ways in addition to traditional coursework: testing out, independent study, demonstrating mastery and other options such as internships & educational travel. Credit Flex guidelines and applications are available in the guidance office.

H. College Credit Plus (CCP)-The State of Ohio has developed a program for students in grades 7-12 that **combines the previously known programs called Dual Enrollment and Postsecondary Enrollment Options**. It requires two fundamental conditions 1) Students must be enrolled in both college and high school, and 2) Students earn transcripted college and high school credit upon successful completion of the course. High school students have the option to choose a 15 and 30 semester hour transcripted credit pathway, which are detailed in the BHS Course Handbook.

1. Granting Credit

- a. Students can earn high school and college credit concurrently in several ways. The first is through a BHS Teacher who serves as adjunct college faculty teaching the class at BHS. The other is with a college faculty teaching the course(s) online or at the Institution of Higher Education.
- b. For each 3 (or more) semester hour college course, the student will receive one high school carnage credit. Each CCP course will receive a grade weight add on of .03125 to the participating student's cumulative high school grade point average.
- c. Students may not take more than 30 semester hours of college credit during one academic year and not more than the equivalent of four academic years, or 120 credits through the College Credit Plus program.
- d. Transcripted credits will generally transfer to any public college in the state of Ohio and most private colleges as well.

2. Program Eligibility

All high school students are eligible to participate in the CCP program considering the following:

- a. The student and a parent must attend a counseling session with the student's guidance counselor to go over appropriate paperwork no later than April 1 the preceding academic year.
- b. The student must notify his/her guidance counselor in writing that he/she intends to participate in the College Credit Plus program no later than April 1 of the prior school year. The information provided should include the courses that the student plans to take and at what college or university.
- c. The student must complete an application AND registration by the designated deadlines and be accepted into the program according to the postsecondary institutions requirements.
- d. The student must meet enrollment requirements of the post-secondary institution awarding college credit. This may require a certain score on an ACT, SAT or Accuplacer tests.
- e. Students who fail or withdraw from a course may be responsible to reimburse the district for their incurred costs.

3. Underperforming Students:

- Students who have a cumulative GPA lower than 2.0 on college credit courses or who withdraw from or receive no credit for two or more courses in the same term will be defined as an "underperforming student" in the College Credit Plus program.

- Underperforming students will be placed in CCP probation. Students on CCP probation will only be able to enroll in one college course the next term or may not enroll in the same subject in which they earned a grade of D, F or no credit.
- Students on CCP probation who successfully completes one course the next semester and their cumulative GPA raises to a 2.0 or higher, the student is removed from CCP probation and may participate in the program without restrictions.
- Underperforming students must raise their cumulative GPA to a 2.0 or higher within two college terms or the student will be placed on CCP dismissal. Once a student is dismissed for the CCP program, the student may not enroll in college courses for the following term. Following one term of dismissal, students may request to the district superintendent permission to participate in the program. The district will decide if the student can participate with or without restrictions.
- Note the CCP probation and CCP dismissal policy does not alter, supersede, or affect any college policy or procedure on academic probation or dismissal through the college. Students wishing to appeal the college's policy must do so by following the college's procedure.

3. **Cost:** Transcribed credits earned through Ohio Public Colleges and Universities (such as Clark State Community College) are at NO COST to students. Options with Private Postsecondary Institutions may require partial payment by the student, unless the student qualifies for free or reduced lunch. Students who qualify for free or reduced lunch may not be charged whether credit is earned through a Public or Private Postsecondary Institution.

4. **Partner Institutions:** BHS has formed partnerships with Clark State Community College to offer transcribed credit through the College Credit Plus program at BHS with BHS staff teaching these courses. The same curriculum and textbooks are provided regardless of where the student takes the College Credit Plus course.

I. **Advanced Placement Program** -AP courses are equivalent to first-year college courses and are recognized as the gold standard for measuring academic excellence. Teachers have been trained and the course curriculum approved by the College Board. For many universities, college credit is earned by passing the exam in May with a score of '3' or higher. The exam cost is approximately \$95 per subject. Most universities in the U.S. accept AP credit.

1. **Advanced Placement Policy**- Students who enroll in AP courses are subject to the following:
- a. Each student must take the appropriate AP Examination on the date in May designated by College Board.
- b. The student must pay the exam fee prior to October 31st . Students who qualify for free or reduced lunch should see their guidance counselor about a possible fee waiver.
- c. Students are expected to devote outside study time and participate in tutoring sessions offered by the teacher.

J. **Chieftain P.R.I.D.E. PBIS Program** - In order to promote positive behavior, BHS is developing and implementing the Chieftain P.R.I.D.E. Positive Behavior Intervention System. Staff and students are encouraged to display Chieftain P.R.I.D.E. (P – Preparedness, R – Respect, I – Integrity, D – Determination, E – Engagement) in all settings at school. Teachers are encouraged to complete Chieftain P.R.I.D.E Award referrals to recognize positive student behaviors. The Chieftain P.R.I.D.E. PBIS continues to be developed and implemented going into the 2020-2021 school year.

K. **Yearly Academic Awards**- In order to earn these awards, a 3.00 Grade Point Average is needed for **each** school year. These are not based on a student's cumulative grade point average...you start out fresh each school year.

- a. 1st year award - Academic Letter
- b. 2nd year award - Academic Pin
- c. 3rd year award – Chieftain Pin

SECTION IV: BHS ATTENDANCE POLICY

Educational researchers have shown that students who attend school regularly and pay attention to daily lessons and homework receive higher grades. Not only does this ensure that a student is present to receive instruction and assignments, but it also teaches students the importance of regular attendance when they enter their chosen profession. Students are expected to attend classes regularly and be on time for all classes. When a student misses a day of school, he/she misses a day of learning. We encourage students to place attendance at school as a high priority. In addition to this, the State of Ohio's compulsory attendance law states that students are to be in school unless there is a valid excuse for their absence.

A. Absence Policy-Students are permitted 7 days of Truant/Excused Absences prior to their absences being considered excessive. It is extremely important that students and parents realize and understand that the 7 days of Truant/Excused Absences per semester built into this attendance policy are not to be considered as approved days to miss classes. These days should be thought of as a sick bank to be used only when needed. Days that are considered an In-School, Medical, Court, Funeral or Vacation (2 days) Absence, will not count toward the allotted 7 days of Truant/Excused Absences per semester. Proper documentation is required for these absences.

B. Absences and After School Activities-In order to participate in after school-related activities, a student needs to have been in the school for a minimum of three and a half hours (3 1/2) that school day. A student who arrives at school after 11:00 am will not be eligible to participate in any after school-related activities that day unless the student provides an appropriate note that qualifies as an Excused Absence or an emergency situation that has been cleared by an administrator. Any student who has an early dismissal prior to 11:00 and does not return to school or who leaves school after 11:00 without an early dismissal approved by an administrator will not be eligible to participate in any after school-related activities that day. Any student who is absent due to an emergency or set of circumstances beyond control may appeal to the approving authority for permission to participate in after school-related activities that day.

Any student who arrives after the first period/block has begun and fails to sign-in may be counted as absent for the entire day. This student will not be able to participate in after school-related activities that day, and/or may receive discipline for not following sign-in procedure.

C. Categories of Absences-A student absence from school falls into one of the following categories:

1. **College Visit**-An absence will be determined a College Visit when the appropriate forms from the Guidance Office are completed and turned into the office prior to the absence. This absence becomes truant if written verification from the college admissions office is not submitted to the front office upon returning to school.
2. **Excused Absence**- An absence will be determined excused when an email or **written verification is received by the BHS Office within 24 hours** and falls into one of the following categories:
 - a. Funeral for a death in the family-A student is permitted three days of excused absences per death.
 - b. Appointment with the court or attorney- The notification needs to state the date and time of the appointment.
 - c. Appointment with an outside counselor-The notification needs to state the date and time of the appointment.
 - d. A BCS Administration approved absence will be counted as an excused absence.
 - e. Personal illness (a written physician's statement verifying illness may be required).
 - f. Illness in the family necessitating the presence of the child.
 - g. Observation or celebration of a bona fide religious holiday
 - h. The school nurse may also send a student home EXCUSED, twice a semester.
3. **In-School Absence**- An absence will be determined an In-School Absence when a student is attending a school approved field trip, function, or activity.

4. **Medical Absence-** A medically excused absence occurs any time a student is out of school due to illness or medical visit (physician, dentist, mental health, etc.). Medical excuses will be accepted in the form of doctor's note within five school days of the absence or parent call-in on the day of the absence due to illness or doctor's visit. A student may have up to 10 medically excused absences without a doctor's note, but with a parent call-in. Medical excused absences will be accepted through this process for students participating both in-person and remotely.
5. **Truant-** Each absence will be recorded as truant until a signed written note by the parent/guardian or a medical note from a doctor stating the reason for the absence is received. These absences DO COUNT toward the 7 Day Excessive Absence Policy.
6. **Vacation Absence-** A student will be permitted 2 School Days for a Family Vacation per school year that do not count toward the 7 Day Excessive Absence Policy. In order to qualify for this absence, the student will need to turn in the Vacation Form at least 3 school days prior to the first date of the vacation.

D. **Habitual Absence Policy-** The statutes governing school attendance are very specific and leave little option for school authorities to excuse children from school. House Bill 410, the "Truancy Bill" prescribes punishments for both students and parents when a student is deemed a "habitually" truant by the courts. Habitual truancy is defined as any truant absence for 30 or more consecutive hours, 42 hours in a thirty (30) day period, or 72 or more hours in a school year." A school day has been defined as 5 ½ hours.

If a student falls into the "habitual" truancy category, Bellefontaine High School will convene a mandatory Attendance Intervention Team meeting with the parents and student. Failure to attend such a meeting and to comply with guidelines established will result in truancy charges being filed with the Logan County Juvenile Court.

E. **Excessive Absences Result in Credit Withheld-** If a student accumulates in excess of 7 Truant/Excused absences in a semester block class (80 minute class) or 14 Truant/Excused absences in a yearlong skinny class (40 minute), the credit earned will be withheld until the student completes the appropriate "seat time" or community service hours.

In order to receive the earned credits for the affected classes the student will need to complete "seat time" to make up these days. If the student has exceeded the absence limit in only one class, the student will owe 2 hours per day he/she is over limit. If the student has exceeded the absence limit in two or more classes, the student will owe 4 hours per day he/she is over the 7-day limit.

The student may also complete a preapproved community service project in place of completing "seat time". In order to complete the community service, the student needs to first bring BHS Administration documentation from the company/agency of the type of community service that will be completed and the anticipated dates and hours the student is going to work. Then the BHS Administration will either approve or deny the proposed community service project. At the completion of the approved hours of

service, the company/agency will need to once again document and verify the hours served in a letter the student will give the BHS Administration.

Hours logged for doing community service work for neighbors or family members will NOT be accepted. If the student chooses not to make-up this time prior to the end of the semester, a CW will be entered as the grade of record. The student will then have an additional two weeks to serve the "seat time" or the C/W will be changed to an "F" for the course.

Students may sign up for After-School Detentions in the office to make-up for eight absences and beyond. Credit will be withheld until your child has made up the required hours.

After-School Detentions will be available every Tuesday and Thursday from 3:00-5:00 PM in the Bellefontaine High School Cafeteria.

F. **Excessive Tardiness-**Students are expected to be on time for school and for all classes. A student is tardy to school when he/she arrives after the beginning of first period, 7:40 am, but before 8:45 am. If a student arrives to school after 9:00 am, it will be counted as a one-half day (1/2) absence and the student must report to the office to sign-in. If a student is not in their required class prior to the start of the period, the student will receive a tardy. Tardiness to school and class are tracked separately. BHS administration allows students to accumulate 3 tardies in each category each semester prior to discipline being issued. The following procedure will be followed separately in respect to tardiness to school and class:

First through Third Tardy - Warnings-No Punishment

Fourth Tardy 1 1-Hour After School Detention and meeting with parent(s)

Fifth Tardy 2 1-Hour After School Detention and/or possible revoking of driving privileges

Sixth Tardy 1 Day of ISS/Court Notification

Seventh Tardy 2 Days of ISS

Eighth and each Additional Tardy 3 Days of ISS

G. Make-Up Work-The student is responsible for making arrangements with his/her teachers for make-up work due to absence from school. All categories of absences have make-up privileges. The student shall see the teacher(s) the first day the student returns from an absence. The student then has the number of days the student was absent plus one to complete all the missed work. Make-up work not turned in within this time period may not be accepted and the student may receive a zero for the assignment(s). Teachers are encouraged to assign make-up work for all days missed. The make-up work may be different or more difficult than the original assignment or classroom work missed.

H. Parent to School Notification of a Student Absence-The Bellefontaine City Schools Attendance Policy recognizes the importance of good attendance habits. It is important for you to communicate to the school if your child is out of school for any reason. **A phone call is required the morning of each absence to inform the school that the student will not be attending that day. Each absence will be recorded as truant until a signed written note by the parent/guardian or a medical note from a doctor stating the reason for the absence is received. An absence may be changed to excused when a note is received within 24 hours.**

1. **Contact School** -We ask that a parent/guardian call the BHS Office, (937) 593-0545, prior to 9:00 am to notify the school of the known student absence. You are able to call at other times to either speak with the secretary or call when school is not in session to leave a message on our answering machine. A parent can contact the BHS Office concerning a student absence by sending an e-mail, preferably prior to 9:00 am on the day of absence, stating the student's absence. The e-mail needs to be sent to one of the following two people concerning the absence:

a. Mrs. Braun, BHS Attendance Secretary- braun@bcs-k12.org

b. Mr. Core, Associate Principal- core@bcs-k12.org

In the subject line of the e-mail, provide the students' full name and then the word "absent" after it.

In your notification, you will need to provide the following information:

1. Your relationship to the student that was absent from school.
2. The student's name and grade that was absent from school.
3. The date(s) the student was absent from school.
4. Why the student was absent from school.

2. **Parent/Guardian Note**- A note must turn into the BHS Office, by the student, upon return from the parent/guardian within 24 hours. If a note is not received within 24 hours the absent student will be categorized as truant from school for the number of days he/she was absent.

If BHS does not receive parent/guardian notification of a students' absence prior to 9:00 am, an automated phone call will be placed from the school notifying the parent/guardian of the students' absence.

I. School to Parent Notification of Student Absences-BHS is required to notify a student's parent(s)/guardian(s) when a student is absent from school. This notification may be in the form of a phone call, post card, or letter.

1. If BHS does not receive notification prior to 9:00 am of an absence, an automated phone call will be placed to the parent(s)/guardian(s) to notify them of the absence.

2. If BHS does not receive notification of the students' absence prior to 9:00 am on the school day following the absence, a post card will be mailed to the parent(s)/guardian(s) to notify them of the absence.
3. When a student has accumulated four (4), six (6), and eight (8) TRUANT/EXCUSED ABSENCES, a letter will be mailed to the parent(s)/guardian(s) to notify them of the absence.
- J. **Tardy to School**, Half Day and Full Day Absences-If a student arrives to school after the start of first period, 8:00 am, but prior to 9:00 am, he or she will be marked tardy to school. Any student arriving to school after 9:00 but prior to 11:30 a.m. will be marked as a half day morning absence. If a student arrives to school after 11:30, he/she will be marked as a full day absence. A student who has attended school prior to 11:00 and leaves school after 11:31 and prior to 2:25 will be marked as a half day afternoon absence. Attendance will be tracked by each period in order to determine credit withheld status. In order to participate in after school related activities, a student will need to be in school for a minimum for three and a half hours (3 ½).

SECTION V: BELLEFONTAINE HIGH SCHOOL STUDENT DISCIPLINE CODE

The regulations of Bellefontaine High School are established to create a good, wholesome atmosphere in which teaching and learning can take place and to provide a safe environment for the student body. Education cannot take place without good discipline. Good discipline is the presence of friendly, yet businesslike atmosphere in which students, teachers, and administrators work together toward accepted goals. The administration reserves the right to review, assess and revise these guidelines at any time.

In general, students who exercise good common sense and are considerate of others will have no problem complying with any of the rules and regulations. Students who do not comply with the rules and regulations will have a disciplinary action taken against them in order to modify their behavior. The items in this Code are applicable to all students when under the authority of school personnel during a school activity, function, or event whether on property owned, rented, or maintained by the Board of Education or property owned, rented, or maintained by another party as stated in Ohio Revised Code 3313.66. Misconduct by a pupil, regardless of where it occurs, which is directed at a district official or employee or the property of such official or employee is also covered under the conduct code. Disciplinary action will be based on the type of misbehavior in which the student engages. The BHS Administration may file unruly charges in the Juvenile Court at any point in the major or minor misconduct system.

Students shall not violate the policies of the Board, school administrative guidelines, or classroom procedures. Such policies, procedures, and guidelines will be posted and/or incorporated in student handbooks. The administration has the responsibility to ensure a climate conducive to learning on a daily basis.

This Code shall also be inclusive for the right to exercise authority and for personal and property protection of any person employed by the Bellefontaine City School District or its guests.

A. Forms of Discipline at BHS-Violations by a student to any section(s) of the Student Code of Conduct may result in the following disciplinary action(s):

1. **Verbal Warning-** A student receives a verbal warning/reprimand from school personnel concerning an unwanted behavior performed by the student.
2. **Parent/Guardian Notification-** A student's actions at school or school related activity are severe enough for a parent/guardian to be made aware of the action by school personnel.
3. **Detentions-** Should after school detention be assigned, twenty-four-hour notice will be given. It will be the student's responsibility to notify their parent/guardian and boss. Students may not be excused from detention for athletics, extracurricular activities, or work. The following are the three types of detentions issued by BHS:
 - a. **Teacher-Issued Detention-**A teacher may issue his/her own detention for a student's unwanted behavior in the classroom or building. The teacher issuing this detention must communicate this discipline, at least 24 hours prior to the assigned date and time, to the student, parent/guardian, and administration. This detention cannot exceed more than one hour.
 - b. **Lunch Detention** - Teachers and administrators may issue detention for a student's unwanted behavior in the classroom or building. The teacher issuing this detention must communicate this discipline, at least 24 hours prior to the assigned date and time, to the student, parent/guardian, and administration. This detention cannot exceed more than one lunch period.
 - c. **One-Hour After-School Detention-**This form of detention for an unwanted student action will be from 3:00-4:00 pm on Tuesdays and Thursdays.
4. **In-School Suspension (ISS)-**This form of discipline is when a student is confined to a classroom and unable to socialize with his/her peers. The student's regular classroom teachers provide the ISS monitor with the assignments for the day to be completed while in this classroom.

5. **Out-of-School Suspension**-This form of discipline is when a student is unable to come onto school property for a certain period of time. During the Out-of-School Suspension, the student's actions and health are the responsibility of the parent/guardian. An Out-of-School Suspension starts at 12:00 am on the first assigned day and is completed at 11:59 pm on the final assigned day. **A student is UNABLE to attend ANY school activity during this time and will be subject to the Athletic Code of Conduct and Policies.** Students are permitted to complete and submit school work during an OSS suspension.

The student or his/her parent(s)/guardian(s) may appeal this form of discipline to the Board of Education's designee. The request for an appeal shall be made within two (2) school days of the discipline being issued.

6. **Emergency Removal**- This is issued when BHS Administration believes it is in the best interest for the school environment to remove a student from the building immediately. This action may precede additional forms of discipline.
7. **Expulsion**-This form of discipline is the most severe action a school district can take upon a student. This is when the Superintendent, or designee, removes a student from public education in the state of Ohio for a certain number of school days based on a single or accumulation of violations to the Student Code of Conduct.
8. **Police Notification**-The Bellefontaine Police Department may be notified by the BHS Administration to come in to take statements or remove a student from the building for an action violating the law.
9. **Referral to Logan County Juvenile Court**-BHS has the right to file unruly/truancy charges on any student under the age of 18 for actions violating the Student Code of Conduct or Attendance Policies.

- B. **Student Code of Conduct**-A violation of any of the following rules shall result in disciplinary action administered by the BHS Administration. **It shall be at the discretion of BHS administration as to what type of discipline is administered from the categories above.** Discipline will be on a progressive scale but BHS Administration has the right to assign discipline based on the infraction. These policies encompass all property owned by BCSD including locations of school sponsored trips/activities. Bellefontaine High School and Ohio Hi-Point Career Center honor the suspensions/expulsions assigned by one another. The following is a list of misconduct violations:

Student Conduct:

1. **Attendance**-Any actions by students such as skipping class (including A&I) and truancy is prohibited.
2. **Detention**-Failure to attend/complete an assigned detention.
3. **Disruption of school** – A student shall not cause disruption of school or school activity and/or obstruction of the education process by:

4. **Hazing**-No student may plan, encourage, engage in or watch without attempting to stop any act coercing another to perform an act of initiation into a class, team or organization that causes or created substantial risk of causing mental or physical harm. Permission, consent, or assumption of risk by an individual subjected to hazing shall not lessen the prohibitions in this policy.

5. **Indecent Exposure**-This action is included at all school events, whether on school property, property rented by the school, or extended school property.
