School Year
TDAP & Meningitis ONLY

**2016 -2017 Ohio School Entry Immunization Requirement for TDAP
and Meningococcal**

Starting with the 2016-2017 school year, all incoming 7th grade and 12th grade students in Ohio must have proof that they have the age-appropriate meningococcal vaccine.

- Students entering the 7th grade are required to have at least one dose of the **meningococcal** and **Tdap** vaccine prior to school entry.
- Students entering 12th grade must have a second dose of meningococcal vaccine, with a minimum interval between 8 weeks prior to entry. If the first dose of meningococcal vaccine was administered after the 16th birthday, a second dose is not required.

Please contact the Logan County Health District (937) 651-6186 prior to the May 24th Special School Clinic to verify your insurance.

Logan County Health District accepts the following health insurance: Anthem, Aetna, Medical Mutual and Ohio Medicaid.
